

Travel & getting around

Print & practice

1 Print double-sided

Use A4 paper, actual size (100%), and flip on the long edge. Turn off any fit-to-page setting. The cover and this guide print together on the first sheet.

2 Try one sheet first

Print pages 3-4 as a test. Hold the sheet up to the light to check that the pictures and words line up before printing the rest.

3 Cut out your cards

Cut along the dashed lines. Each full sheet makes 15 cards, with a picture on one side and the matching word on the other.

Look, say, turn.

Look at the picture and say the word out loud. Turn the card over to check. The word backs include a pronunciation guide; you can also listen to every word online.

Keep the cards you find tricky in a separate pile and try them again.

Printing single-sided?

Print the picture and word pages separately. Cut out the cards, then pair each picture with its word and glue them back to back.
